

A professional portrait of a man with short, dark hair, smiling. He is wearing a dark suit jacket, a white dress shirt, and a patterned tie. The background consists of vertical wooden slats.

Nathan C. Miller, D.M.D.

Miller Dentistry

SPECIALTY: Comprehensive cosmetic and restorative dental services, including full smile makeovers, wisdom teeth extractions, molar root canals, Invisalign and Six Month Braces; drastically improve a smile in as few as two visits

EDUCATION & CERTIFICATION: Undergraduate degree, Brandeis University; Master's degree, University of Medicine and Dentistry of New Jersey; Advanced Education in General Dentistry residency, University of Florida

PROFESSIONAL MEMBERSHIPS: Since starting his career, Dr. Miller has been a member of the Academy of General Dentistry, which requires him to take more than twice the amount of continuing education hours than the average dentist, demonstrating his commitment to staying up-to-date on the latest dental procedures and technologies

INNOVATIVE TECHNIQUES: Digital X-rays with low-dose radiation, new electric handpieces that produce less noise and vibration, a laser that helps reduce post-operative discomfort and a laser scanner that detects cavities much sooner than traditional methods, allowing the preservation of more tooth structure

SPECIAL INTERESTS: Soccer, snow skiing, exercising outdoors and spending time with his family
