Referrals can be made online at www.sparkperio.com. Thank you for your referral.

We would like to welcome you to our office. Your dentist has already advised you that you may have periodontal (gum) disease. As periodontist, Dr Park is a dental specialist in the diagnosis and treatment of diseases affecting the support of your teeth. At the initial visit, you will complete a medical and dental questionnaire. You will then receive a thorough examination of your condition. At the conclusion of the examination, you will receive recommendations based on your individual condition. You are encouraged to ask questions you have regarding your condition and the plan of care recommended to you. If you wish, you may bring your spouse or close family member along to listen to the consultation.

We look forward to meeting you.

Location

We are located 1 mile east of I680 at:

525 Bollinger Canyon Way, Suite 103
San Ramon, California 94582
(Across from Club Sport)
